EXECUTIVE OFFICER

**FISH AND GAME PROPAGATION FUND GRANT AWARDS
(SECOND SUPERVISORIAL DISTRICT)
(3-VOTES)**

SUBJECT

Recommend approval to award grant funds from the Fish and Game Commission to stock fish at Alondra Community Regional Park and Kenneth Hahn State Recreation Area during calendar year 2016.

IT IS RECOMMENDED THAT THE BOARD:

Approve the Fish and Game Propagation Fund Grant request in the amount of \$3,100, to stock fish at the following park and recreational areas for two events during calendar year 2016, sponsored by the Los Angeles County Second Supervisorial District:

1. Kenneth Hahn State Recreation Area, 4100 South La Cienega Boulevard in Los Angeles in the amount of \$1,800 for the Community Day of Fishing event to be held during the 2016 calendar year.
2. Alondra Community Regional Park, 3850 Manhattan Beach Boulevard in Lawndale in the amount of \$1,300 for the South Bay Youth Fishing event to be held on May 14, 2016.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant requests will promote education, conservation and

the propagation of fish and game thus benefiting Los Angeles County and the State of California.

At its meeting held on January 14, 2016, the Los Angeles County Fish and Game Commission approved the grant requests from the Second Supervisorial District. The purpose of the fishing events is to provide an opportunity for people in the community to come together to learn and enjoy recreational fishing and contributes to the protection of wildlife by educating attendees on the proper use of equipment, method of angling, and the importance of conserving fish and game. The Community Day of Fishing event at the Kenneth Hahn State Recreation Area in Los Angeles will offer free fishing for the public and is geared to teach fishing techniques to youth and adults in the community. The South Bay Youth Fishing event at Alondra Community Regional Park in Lawndale is open to children ages five to fifteen years and includes a generous lake stocking of catfish, angling lessons provided by the California State Department of Fish and Wildlife "Fishing in the City" program, opportunity drawings, awards and lunch provided by a community based organization.

Since 1952, the Commission has supported activities and projects that promote the best methods for the propagation and protection of fish and game in California and the County of Los Angeles. The stocking of fish at County parks and recreation areas supports this endeavor, by providing opportunities and encouraging the sport of fishing to the many residents within the community.

Implementation of Strategic Plan Goals

The provision of funding for these events is consistent with the County's Strategic Plan Goal Nos. 1 & 3 (Operational Effectiveness & Integrated Services Delivery). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the events will provide a safe and healthy environment increasing accessibility to County cultural, recreational and learning programs.

FISCAL IMPACT/FINANCING

There is no impact to the General Fund. The approved expenditures will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover the cost. The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 et seq. of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes enhancing fish and game activities including protection, conservation, propagation, and preservation of fish and wildlife.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Board action enhances the education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

The Honorable Board of Supervisors

One Page Project Summary

The South Bay Youth Fishing Event is an annual event that takes place in May at Alondra Park located in Lawndale, California. The event includes a generous stocking of catfish in the lake, a free lunch, fishing lessons provided by the State of California Department of Fish and Wildlife "Fishing in the City" Program and awards. The event starts at 7:00 am and concludes at 11:00 am. The event is free to the participants and open to children ages 5-15.

Background on Applicant's Organization

Purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, cultural programming, and will enhance the community environment by acquiring, developing, and maintaining County parks, lakes, gardens, golf courses, trails, and open space.

Brief summary of current activities:

The County of Los Angeles Department of Parks and Recreation provides a diverse selection of recreational, educational programs, and activities including, but not limited to: youth, adult sports, fishing, environmental education, cultural celebrations, and special events.

Geographic area served:

The South Bay Youth Fishing Event serves the following communities within the 2nd District: Lawndale, Gardena, Los Angeles, Torrance, Redondo Beach, Hermosa Beach, Carson, Hawthorne, Lomita, and the surrounding communities.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

In the previous fiscal years and in current year this program is supported by funding from the State of California, Los Angeles County, Gardena Youth Sports Advisory Board and the City of Gardena.

History of all grants received from the Los Angeles County Fish and Game Commission:

This is the third time that Alondra Park of Los Angeles County Department of Parks and Recreation has applied for a grant from the commission for this event. Throughout the history of this event the 2nd Supervisorial District Office has requested funds for additional fish stock from the L.A. County Fish & Game Commission.

Project Information

Statement of justification of need:

The South Bay Youth Fishing Event is a free to the public event that draws more than 2000 youth annually. Due to the popularity of the event and it's continued growth, it has become critical that we seek additional resources and partners in order to put on the event at the same level each year. The funding provided from the commission to purchase fish for this derby is vital to the program's existence and without this funding the program may not continue.

Statement of purpose and goals:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, cultural programming, and will enhance the community environment by acquiring, developing, and maintaining County parks, lakes, gardens, golf courses, trails, and open space.

Action plan to meet objectives:

In January, 2016 - Setup meeting with stakeholders to discuss program implementation and submit grant application. On February, 2016 - Secure all equipment and supplies. In March, 2016 - Send out Save the date flyers to all school districts in the surrounding area. In April, 2016 - Send out official flyers to school district and local businesses. In May, 2016 - Implement and evaluate the program.

Statement of how the objectives advance the propagation and protection of fish and wildlife:

By conducting the youth fishing derby we advance the propagation by introducing fish and lake environment to contribute the protection of the wildlife by educating the attendees to proper use of equipment, methods of angling and the importance of conservation.

Project budget and timetable:

We provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational, cultural programming, and will enhance the community environment by acquiring, developing, and maintaining County parks, lakes, gardens, golf courses, trails, and open space.

Sources of other support for project:

California State Fish and Wildlife
Los Angeles County Supervisor 2nd District
Gardena Youth Sports Advisory Board
City of Gardena

Current status of project:

This Project is in it's planning stages, but we have a commitment from all partners mentioned on the application. We are currently seeking additional resources to enhance the program.

Cash flow analysis of the expenditure of project funds:

Revenue

Gardena Youth Sports Advisory Board	\$800.00
City of Gardena	\$1,250.00

Expenditures

Lunch and supplies	\$320.00
T-Shirts	\$2,730.00

Proposed method of evaluating results:

The program will be evaluated based on the number in attendance, participation in the learning stations, lunches served, and fish caught. Additionally, we will gather public input by way of participant feedback forms.
